FOR BUSINESSES

Need people on the ground? *Send in the otters.*

Customer sign-ups, market research, focus groups and product sampling — we scope the work, match verified students and you only pay for approved results.

Verified students
ID and selfie checked before any work starts.

Proof for every result
Photos, contacts and GPS pins for each unit.

Pay for approved work
You only pay for what passes review.

Gigotter · Accra, Ghana · Real work for real businesses, paid to mobile money.

Gigotter

FOR STUDENTS

Get paid to do *real work* for real businesses.

Sign up businesses, run focus groups and gather research on your own schedule. Get verified once, pick a gig, get paid to your mobile money.

ID-verified · Paid to MoMo · No fees

gigotter.com

HOW IT WORKS

Three steps between you and your *first payout.*

01

Get verified once

Add your student ID, national ID and a quick selfie, plus the mobile money number you want paid to. Most students are approved within a day.

02

Pick work that fits

Browse open gigs near you or remote. Each one tells you exactly what to do, what proof to collect and how much it pays.

03

Submit and get paid

Log each completed unit with a photo. Once it's approved, the money goes straight to your MoMo in the weekly payout.

Free to join · No CV · No interview

Students across Ghana & Nigeria

THE WORK

Flexible work that *builds* real experience.

Customer onboarding

Introduce businesses to a product and help them sign up.

Focus groups

Bring the right people together and keep the conversation flowing.

Field research

Visit shops and markets to collect prices, photos and insight.

Surveys

Gather genuine responses from people who match the brief.

Why students choose *Gigotter*

- ✓ Every gig is paid and clearly scoped
- ✓ Work between lectures, on weekends or from home
- ✓ Payouts straight to your mobile money
- ✓ Real experience with real businesses for your CV
